Chinese Cinnamon Vines

Beautiful Leaves, Dainty Flowers, Exquisite Perfume

Cinnamon Vines Are the Most Beautiful, Most Fragrant, and Easiest Grown of All Climbers. Will Make Your Porches, Windows and Walks “Perfect Bowers of Beauty.” Also Make Charming Window Plants, In Doors or Out.

ONCE PLANTED THEY GROW A LIFETIME

Cinnamon Vines are perfectly hardy, grow in sun or shade, wet or dry. No insects or blight ever troubles,—no winter harms. Will grow 30 feet—a mass of Vines—in a single season. Nothing like them in the world.

Their pretty glossy heart-shaped leaves and wealth of tiny white bloom—emitting sweetest perfume, add a charm unknown to all other climbers. No words can describe their delicious fragrance. It perfumes the air for a very long distance. The tops die down in the fall, but grow again very rapidly in the spring.

The tubers are edible, and grow larger from year to year. Many cook or bake them and call them fine eating. When first introduced they sold for $10.00 each. No one should miss planting these charming vines. They will be a constant delight to every lover of the beautiful.
